Dear Pastor:

Just over three years ago we were blessed to have the Keister family join Beth Haven Baptist Church. As their pastor, I have seen them grow in Christ and watched their walk with Him cause them to be led into greater service. Bro. Keister was the director of our bus ministry for over a year and has been on staff for a year where he has been the youth director and janitor in addition to knocking doors more than 20 hours a week. The Keisters have done anything they have been asked to do with a fervent effort and a good spirit.

In July of 2016, Brother and Sister Keister came to me and shared that God had been working in their heart to call them to Italy as missionaries. They have lived in Italy for work and are well aware of the need and the culture. After a year of teaching, examination and prayer they are ready now to start deputation. Their character and work ethic, as well as their spiritual aptitude, has made it easy to say that it is my great honor, as their pastor, to recommend them to your church for consideration of support. I know that if God leads you to have them, they will be a blessing to your church in music, preaching, teaching, outreach or just service to your people. God has His hand on this young couple and we are very excited about what He is going to do through their labor for Him in the future.

In His Service,
